Pastor's Thoughts...

"It's Time!"

"It's Time!" Those words have rung out many times every single day for thousands of years. Those words are spoken when a woman senses she's going into labor. Those words are spoken when the surgeon is ready to begin an operation. But those words also rang out a long time ago when the apostle Paul wrote them to the believers in Rome. Romans 13:11 And *do* this, knowing the time, that now *it is* high time to awake out of sleep; for now our salvation *is* nearer than when we *first* believed.

Those words, "And *do* this" in the original language are a command to perform, "knowing the time." In other words, knowing the climate or the attitude of the people around you, knowing their appetites, knowing their sinfulness, it's time to do this. To do what? "...that now *it is* high time to awake out of sleep." We've been "out of it" so to speak for too long. It's time to be about the Master's business. Why? Because, "...now our salvation *is* nearer than when we *first* believed." Every moment that passes, every second that ticks by, every minute of every hour of every day brings us closer to the time when time will end. Let's not let the world go into eternity without hearing the truth of the gospel! Let's not let these moments slip away! Let's be busy because, "It's time!"

For Christ and His glory,
Pastor Dennis
